

TECHNICAL DIVING COMPONENT

SINGLE TANK ADAPTOR (Item no.: TAD-1)

THANK YOU for choosing Dolphin Tech technical diving BCD component. Only materials best suited to diving conditions were used to make this vital piece of equipment and it was designed and made according to the highest standard in diving equipment manufacturing so you can have reliable service from it for years to come.

GENERAL WARNINGS AND CAUTIONS

Please read and thoroughly understand the content of this owner's manual in its entirety. If there is anything not clear on how this product functions, for your safety sake, do not use it and please contact an authorised IST dealer for assistance.

Do not modify any component on this product as it will render the warranty void and it may not function properly and safely.

Improper use or intentional misuse of this product may cause serious injury or death.

Prior to each dive, make sure your single tank adaptor and tank straps are properly and securely attached to your harness and tank. Inspect for any irregularity or wear and tear at the same time and if in doubt, please contact your nearest IST authorised dealer for assistance.

Repair, maintenance task and any disassembly must only be performed by an IST authorised dealer. Unauthorised service will render the warranty void and may cause this product to malfunction.

PRODUCT DESCRIPTION AND USER INSTRUCTION

Your IST technical single-tank BCD comes with a stainless steel single tank adaptor, complete with fitting hardware (contains 2 of each of the following: square based screws, flat washers, split washers and winged nuts) Cam tank bands are available extra.

- 1) To attach the single tank adaptor to your back plate, firstly, put the square based screws through the holes in the single tank adaptor then through the grommets of your air cell from the back.

2) Have the screws through the chosen set of holes on the back plate from the back. To hold everything together, firstly put the flat washer and split washer (in this order) onto the screw from the front.

3) Hand-tighten the winged nuts to hold everything together (no tool is needed).

The warranty of this technical BCD component is valid to the original owner only (with proof of purchase) AND it covers any defects in materials and / or workmanship for the period of 2 **years** from the date of purchase. Proper maintenance as prescribed in this manual is required to uphold the warranty during the valid coverage. Any wear and tear under normal usage, as well as any commercial / rental usage, are not covered by this warranty. The following action will also void the warranty: any incorrect use or misuse – intentional or unintentional or any modification of this BCD part.

If a problem has developed with this product, please contact your nearest IST authorised dealer or IST distributor for return authorisation. Please properly package this product and send with your proof of purchase and postage prepaid. We reserve the right to service any non-authorised returns.
